Two presentations regarding end of life:

Redefining Palliative Care for the 21st Century with Pamela Mansfield, MD, Palliative Care Division Head, Moncton Hospital, Horizon Health Network, & Asst. Professor, Dalhousie University takes place on Saturday, **Oct. 19th, 9:30 AM to noon at St. Bernard's Church Hall.** Dr. Mansfield will help us understand that Palliative Care is for anyone with a life limiting illness; explain what we can do to help someone with a life limiting illness; and discuss what leads to the request for medical assistance in dying.

End of Life Issues & Estate Planning: Thinking Outside the Box with Eileen Dennis, B.A., LL.B. a lawyer specializing in family, property and estate law, takes place on **Thursday, October 24th from 6:30-8:30 p.m., also at St. Bernard's Church Hall.** Ms. Dennis will help us to understand what Advance Care Planning is and the importance of it; speak about the need to have conversations with loved ones to ensure our end of life decisions are respected; and explain what should be in the will, and what should be clarified beforehand. **Pre-registration for one or both sessions is necessary and may be done by contacting Ellen.**

Baptism Preparation: The revised diocesan-wide Baptism Preparation for parents presenting their children for Baptism was implemented in the archdiocese in March 2015 and has now been used by our parishes for 4 years. With the hands-on experience of those who facilitate these sessions for the parents, it is time to gather and dialogue with one another about the rewards and challenges of being involved in this ministry; what's working and (maybe) what's not; ways we can be more effective. Therefore, as a member of your parish baptismal preparation team, you are asked **to join Archbishop Valéry Vienneau and Ellen on Saturday, October 26 from 9:30 – noon at St. Bernard's.** Archbishop Vienneau will also offer a session on the Holy Spirit. Please contact Ellen to confirm your attendance.

Transformed Through Eucharist: Please note the preliminary announcement of this session for parents of children preparing to receive First Eucharist next spring which will take place on **Thursday, Nov .14 at Holy Family Church Hall.** More details will follow in later bulletins.

Due to security concerns, the English diocesan offices on York Street will no longer be answering the door after 4:00 p.m. unless arrangements have been made beforehand.

Needed

Bedding towels, and kitchen utensils.
If you are able to donate please call Inez at 389-3571.

COMMUNAL CELEBRATION OF THE SACRAMENT OF THE ANOINTING OF THE SICK

It is important that those who are sick and those around them understand the significance of the Sacrament of the Anointing of the Sick as a sacrament of healing.

Who should celebrate this sacrament?

- Those who are elderly and whose frailty is becoming more pronounced
- Those adults and children who are suffering from a major illness.
(Illness comes in many different forms - physical, mental, psychological, emotional, spiritual)
- Those who are facing or recovering from surgery or serious medical tests
- Those suffering from a serious accident
- Those who suffer from chronic illness such as arthritis or diabetes
- Those who care for the sick, especially those who are closely bound in love to them.

The English churches of the Moncton Diocese work together to offer this communal celebration. Please join us at Holy Family Church, 52 Faulkland St., Moncton, Wednesday, October 30 at 7 PM for Mass and the Sacrament of the Anointing of the Sick. Social Justice Corner
Your Social Justice and Community Life Committee

Our vision....

to help restore dignity of life for the poor and marginalized people.

Our mission

to respond to the needs of the poor, lonely, downtrodden, misunderstood and vulnerable in our Parish Community.

Our values

The following values guide our attitudes and actions:

Charity / Direct Service: We recognize that charity is extremely important because it meets the immediate needs of those who without help could go hungry, go homeless, be left alone and forgotten. In charity we give people fish and bread to eat.

Empowerment: We are committed to providing our services and expertise to help people help themselves. In actions helping to restore a person's sense of dignity, we help people learn to fish and bake bread.

Advocacy: We will seek out and respond to the underlying causes of why people are poor, suffering homeless, sick or alienated . We will endeavor to change the social structures that cause that suffering.

Education: We will create an awareness on issues that simply gives information on a social justice concern.
